

DEKALB COUNTY

2014 TRANSPORTATION PLAN

PROGRESS THROUGH UNITY

Department of Public Works
Transportation Division

PROJECT MEETINGS

We need your help in updating the DeKalb County Transportation Plan. Please join us at any one of four face-to-face meetings or participate in an interactive online meeting to learn more about the process and to share your ideas.

At these meetings we will:

- Review existing conditions
- Get your input on transportation needs
- Discuss ways to stay involved throughout the process

STAY INVOLVED
